OUR SCHOOL COMMUNITY

Overview and General Information

In 2021, Pacific Valley Christian School has been blessed with another wonderful year serving the Lord Jesus Christ.

Pacific Valley Christian School (PVCS) is a Christian School within the Lower Clarence Region of NSW. There are eight Schools in the Pacific Group and Pacific Valley is one of these Schools. PVCS seeks to always place Christ at the centre in all aspects of policy and operations of the School. PVCS works hard to honour Jesus as King of Kings and as Lord of Lords. Our main aim is to glorify Christ in by seeking to love God (Christ) and to love people whilst providing a learning environment for all students.

PVCS believes that all children have been created uniquely in the image of God (Christ). We seek to serve Christ faithfully by pointing children towards His ways and purposes. We are seeking to provide an environment where children can flourish socially, academically, spiritually, and emotionally. The outcome of a Christian education at PVCS is to Know Christ, Love Christ and to Serve Christ.

PVCS is seeking to:

1. Help each child engage in learning to use their gifts and talents to serve Him.
2. Provide an environment where children develop a love for learning and where they can grow academically, socially, emotionally, and spiritually.
3. Provide a safe and secure environment that fosters learning.
4. Have high expectations in terms of student behaviour.
5. Provide an environment where all stakeholders are respectful members of the PVCS community.

Student enrolments peaked at 282 from Kindergarten to Year 12. The Prep program had 10 new enrolments in this preparation year for formal Schooling.

The School campus has continued to undergo development and improvement. This involved the development of the amphitheatre area near the music room and a significant upgrade in technology.

PVCS continues to prioritise the genuine development of Christian values and character underpinned by personal faith, as well as academic growth and success. Biblical perspectives that focus on Christ are the foundation on which the School progresses.

PVCS seeks to be innovative and flexible in its delivery of programs to support and extend the learning of all students. The School does this with the full support and experience of the leadership and staff of Pacific Hills Christian School in Sydney. The Pacific Group of Christian Schools is a great blessing to Pacific Valley and this partnership is a critical and essential reason for the School's past, current, and future successes academically, socially, emotionally, and spiritually.

The end of 2020 Mr Brett Sharrock started as Campus Principal at Pacific Valley. 2021 started with a reduced number of staff and students. Staff covered more out of their subject area. Anthony Brown who has been a Junior School teacher at the Valley who is also trained in music, moved to teaching music through the Middle and Senior School.

From the Executive Principal

Pacific Valley Christian School experienced a year of consolidation in 2021, after some earlier challenges in areas of School culture during 2021.

The School endeavoured, despite the Covid pandemic issues with their service in the wider community. The personal and community growth of the staff in their understanding and commitment to Christian education has been significant and noticeable.

The leadership of Mr Brett Sharrock has strengthened the School significantly in terms of the culture of the School and in matters of organisation, personal and professional development.

There is a very strong spiritual connection of one another in the School and this spreads to the way in which the community at the School reaches out to serve the needs of others.

Dr E J Boyce
Executive Principal

From the Principal

We believe at Pacific Valley that all children have been uniquely created in the image of God. As Christian educators it is our role to help each child engage in learning to use their gifts and talents to serve Him. We are seeking to provide an environment where children develop a love for learning and where they can grow academically, socially, emotionally, and spiritually.

Every person in our community has a responsibility to foster the gifts and talents of each person. As Christian educators we are called to love God first and then to love all people. We are passionate about providing a learning environment that is innovative and fosters learning. During 2021 we started to raise the expectations of all students in terms of their work ethic, respect for others and in terms of their attitude towards learning. We have raised our expectations in terms of student behaviour and as a result the learning environment of the School has increased considerably. All students are required to be respectful of all members of the community.

All students, staff and parents are responsible for providing an environment that fosters creativity, innovation, and learning. All students enrolled in the School are required to act in a manner that is respectful of the teacher, the student, parents, and the School.

During 2021 we were blessed to be able to build a stronger relationship between 'Home and School'. This has put us in a great position for the future. We are looking forward to more community events as the School opens to parents and carers with a COVID safe plan. It is the expectation that parents, and carers, will support the School in its endeavour to provide a safe and secure environment for all students to flourish in their learning.

Pacific Valley Christian School achieved and completed the following projects in 2021.

- Ritchies IGA shopper dockets which can be used to get discounts off uniforms.
- The purchase and installation of two Water Coolers in MS and SS.
- Pathways were laid at the entrance of the SS boys' toilet and from the northern side of the road crossing to the D&T end of the S Block.
- Air conditioners have been installed in the administration building.
- Further work to the perimeter fencing.
- Increase to the textbook and library budget.
- ICT upgrades across the School.

From the Parents

Our family has been a part of the Pacific Valley Christian School community since 2014 when our first child started Prep. We have two children that are now attending the School in years 6 and 2.

We, as a family love the inclusive, caring, and supportive community that Pacific Valley Christian School offers.

We have found the teachers are very supportive and encouraging towards our children, helping them to be the best they can be. Focusing on their strengths and passions while encouraging them and supporting them to improve in areas that are lacking.

Lines of communication between the teaching staff and us as parents has improved with the addition of Class Dojo.

When needed, staff have gone out of their way to show love, compassion, and support towards our family and through consultation, helped to put in place timelines and strategies to provide the desired outcome.

As a parent who attends the Valley Connect Café, I really enjoy and look forward to every Monday and Friday School drop-offs. The Valley Connect Café offers delicious coffees, hot chocolates, and fresh baked goods. In this time, I am able to “connect with smiling faces and chat about whatever is on my mind”. For our family, community is everything.

OUR COMMUNITY SATISFACTION

Staff

Pacific Valley has a dedicated group of staff, from Administrative staff, grounds people and bus drivers to teachers. The staff are professional and carry out their duties with expertise and to the best of their giftings. All staff at the School are serving Christ in the way they are shaping the lives of the students and families and preaching God's word and love into their lives through their words and actions.

The staff at Pacific Valley see this community as a Christ-centred community where all are supported and cared for. We are thankful for the opportunities to grow the students and families, to deepen the faith of themselves. We are thankful to the wider Pacific Group of Christian Schools and the collegiate partnerships that are nurtured in each of the Schools.

Our staff value the partnership we have with the other Schools in the Pacific Group as they share ideas, resources, and expertise across the Schools.

Students

Students at Pacific Valley Christian School comment that it is a place of positive interaction between staff and students of different ages. They have expressed that the School offers them a wide variety of learning experiences that cater for their different interests and abilities. The improvements to the School grounds and buildings have provided more opportunities and space to play and learn.

The diverse gifts and abilities of our students are celebrated, and our students feel that they are valued for their individuality and uniqueness. Through daily devotions and interactions, students are encouraged to demonstrate an attitude of understanding and respect towards others and celebrate the diversity that exists within our School community.

In 2021, Senior School students were given the opportunities to apply for and hold leadership positions. Students have again welcomed this opportunity and see it as a way that our School continues to look for more opportunities for students to explore their gifts and interests and to challenge themselves to try new things.

Parents

At Pacific Valley Christian School, we value the partnership that exists between the parents and the School in the education of our students. The School seeks to assist families in taking every opportunity to build strong relationships founded on Biblical principles of mutual care, integrity, and responsibility. Parents have shared that the staff are excellent role models for their children and that they are easily accessible and attentive to their child's welfare. The School supports open consultation with parents and carers and provides a range of opportunities for parents to speak with staff regarding their child's education. We would normally hold a range of information evenings throughout the year including parent teacher interviews. During COVID-19 we held these interviews via Zoom and phone calls. Parents were thankful and have expressed gratitude around the flexibility of these arrangements. It was viewed as a helpful way to communicate with the School and the staff about their child's education.

OUR STAFF

General Comments

The staff of Pacific Valley exhibit typical diversity of age, gender, and ethnicity. Teaching staff numbers sat at 31 in 2021. National backgrounds include Anglo, Afrikaans, and European.

Teaching Standards – Staff Qualifications and Professional Learning

All the teaching staff have completed tertiary qualifications in Education and Specialists have had additional specific education in appropriate areas. This is category (i) in respect of the NSW Institute of Teachers classifications.

During 2021 a range of Professional Learning was approved and undertaken by teaching staff. The delivery of this was done via Zoom or in small groups with social distancing. The year commenced with our Professional Development Conference that was organised for the Pacific Group of Christian Schools by The Excellence Centre (TEC). Priority and focus on Professional Learning was centred on “Hope through Contentment”. This was the theme of the Pacific Group of Christian Schools for 2021, and there were many elements of Professional Development around this theme. “Visible Learning” was a key area specific to PVCS. We engaged in Professional Learning in this area to help students take more ownership and engage in their learning. Little did we know in January 2021 we would be faced with a worldwide pandemic and learning moved to digital and online. Other areas covered were engaging staff in continuing their own learning in their teaching practice by engaging in more targeted professional readings and discussion.

Teacher Accreditation

All teachers at Pacific Valley Christian School have accreditation with NSW Educational Standards Authority (NESA). We currently employ teaching staff in a range of different teaching and non-teaching roles:

- 33 teachers were accredited at the level of Proficient Teacher
- 4 teachers were accredited at the level of Provisional Teacher
- 1 teacher was accredited at the level of Conditional Teacher

Teaching Standards – Staff Attendance and Retention

The staff consistently demonstrate a strong work ethic and high level of commitment to their responsibility as teachers for our School community. In 2021 the School enjoyed a staff attendance of 96.6% of all available teaching days. This includes absence for all approved leave including Sick, Bereavement and Leave Without Pay. The staff retention rate is 75.8%. With the drop in student numbers and staff leaving to other employment, this is a natural consequence.

The School requires all staff to be in attendance between the hours of 8:00am through to 4:00pm during term time. In addition to award provisions, the School negotiates appropriate leave for further study, family care and other case-by-case matters.

OUR STUDENTS

Enrolments Profiles

Pacific Valley Christian School had a total of 255 students enrolled at the 2021 mid-year Government census, comprising 117 female students and 138 male students. An extended text version of the Enrolment Policy features in the section of this report sub-titled “Our Policies”.

Ongoing enrolment is conditional, at the Principal's discretion, on satisfactory attendance and course completion, adherence with School policies relating to behaviour and discipline, and maintenance of currency regarding payment of tuition fees.

Student Attendance

The School adopts an attitude of close liaison with families in managing student attendance. Absences are noted and followed up both by phone and by written correspondence. Long term unexplained absences are processed under the Schools Attendance and Course Completion policy (available in full from the School) which requires, at the Principals' discretion, chronic non-attendance to result in the de-enrolment of the student and referral to the DET Home-School Liaison Officer for the area.

OUR ACHIEVEMENTS

Student Performance in Standardised Literacy and Numeracy Testing

NAPLAN TESTING

Each year, as our students approach the mandatory national assessment tasks, they are encouraged to focus on completing them to the best of their ability and then to view the results as giving them a snapshot into their learning journey. Due to COVID 19, NAPLAN for all year groups did not go ahead.

2021 Record of School Achievement (RoSA)

Schools in NSW provide individual assessments for each student enrolled at the conclusion of Year 10. This information is retained by the NSW Educational Standards Authority (NESA) and is issued to students when they leave the secondary Schooling system. At this point students will be eligible to apply for a Record of School Achievement In 2021.

In Year 10, the RoSA grades are all located by the School using School-based assessments and aligning student performance with the Course Performance Descriptors. The School-based assessment schedules are issued to students in a Stage 5 Assessment Handbook. Out of a cohort of 28, all PVCS students in Year 10 were eligible to receive a Record of School Achievement in 2021.

On the completion of the Year 11 Course, students are given a Preliminary Course Grade. The grades allocated will be in line with the Preliminary Common Grade Scale and based on student performance in their School Assessment Program. The School-based assessment schedules are made available to students in the Stage 6 Assessment Handbook. Students who leave at the end of the Year 11 Course are entitled to apply for a Preliminary RoSA.

In 2021, students will have to complete online Minimum Literacy and Numeracy tests to qualify for a Higher School Certificate. Students are provided support in meeting these requirements within School curriculum and in targeted preparation classes for those students who need to re sit particular tests. They are given opportunities to meet these standards in Years 10, 11 and 12.

2021 Higher School Certificate

2021 represents the 6th year that Higher School Certificate subjects have been offered at Pacific Valley Christian School. There were 34 students who completed HSC examination courses in 2021. Of those, 12 were Year 12 students and 22 were Year 11 students.

- As PVCS is a small School, it is very hard to get statistics that give data that is useful. The 2021 cohort were a group that were different to previous years and therefore the statistics reflect the differences.
- In 2021 95 HSC courses were completed from a total of 15 subjects. This is representative of the trend of previous years and is the largest number of HSC subjects offered to PVCS Stage 6 students to date.

- In 2021 27% of PVCS Stage 6 courses completed were awarded a Band 4 or above.
- In 2021 the overall Mean Band score was 2.9 (per HSC course completed) as compared to the 2019 result which was 3.09.
- 4 extension courses were completed in 2021 as seen on Table 2.
- The PVCS course mean was below the state course mean in 2019, for all courses.
- Please note: The Stage 6 Compressed Model of delivery means that Year 11 students will complete 2 (usually) HSC subjects while in Year 11. This may impact the HSC results achieved in those subjects.

Overall Results

- 1 PVCS student achieved Band 5 in one course
- PVCS students achieved 17 Band 4 or above results
- 8 out of the 14 students who achieved a Band 4 or above were in the Year 11 cohort for 2021 and are completing their HSC this year.

Subjects receiving outstanding numbers of students in the higher bands

- Chemistry 33.33% of candidates received a Band 5 (State 29.42%)
- Design and Technology 100% candidates received either Band 3 or 4, 50% Band 4 (State 28.1% Band 4, 26.5% Band 5)
- Community and Family Studies 100% candidates received either Band 3 or 4, 50% Band 4 (State 40% Band 4, 31% Band 5 or 6)
- Music 1 100% candidates received either Band 3 or 4, 30% Band 4 (State 25% Band 4, 63% Band 5 or 6)
- Textiles and Design 100% candidates received either Band 3 or 4, 75% Band 4, (state 24% Band 4, 55% Band 5 or 6)

The purpose of Pacific Valley Christian School is to provide a Christian educational community as a centre of teaching, learning, and serving excellence, founded on Biblically based beliefs, values and behaviour.

Rationale

This policy provides guidelines for enrolment. It seeks to acknowledge and continue the vision of those who founded the School as a Christian educational community - a centre of teaching and learning excellence founded on biblically based beliefs, values, and behaviour - able to support the learning needs of students who are enrolled.

Our Policy

Pacific Valley Christian School seeks to enrol students whose families seek a Christian Education for their children and who support the ethos of the School as encapsulated in the School vision and Mission Statements.

Principles

God has created all people in His image and has made it possible for them to be in relation with Him through the death and resurrection of His Son, Jesus Christ. Therefore, the School will give equal consideration to each applicant. The Principal carries final responsibility for decisions regarding enrolment positions.

Source of Obligation

The NSW Registration Manual (3.8) requires the Principal of the School to keep a register, in a form approved by the Minister, of the enrolments of all children at the School. The NSW Registration Manual (3.6.2) requires the School to provide a safe and supportive environment by maintaining a student enrolment register.

The register is retained for a period of seven years after the last entry is made, and copies of information in the register are stored off-site at regular intervals.

It is a requirement of entering the School that all students undertake an academic assessment and all families be interviewed

As part of the assessment and interview process the School may ask the parents to provide more information about the student. Where a student has a declared education support need or a disability or other information has come to light indicating a possible need for education support services, the School will make an initial assessment of the student's needs. In addition, the Principal may require the parents to provide medical, psychological, or other reports from specialists outside the School; obtain an independent assessment of the student. Any assessments or reports required from non-School personnel will be at the parents' expense.

In considering all prospective enrolments, the School may ask parents to authorise the Principal or delegate to contact:

the Principal of the student's previous School to confirm information pertaining to the student; any medical or other personnel considered significant for providing information pertaining to the needs of the student

Enquiries

All enquiries are recorded. The Registrar will also forward relevant information to the student's parents or carers. This includes:

The Registrar will also accompany any prospective enrolments and families for a tour of the School prior to an interview with the Principal.

A member of the School Leadership Team will meet with parents and discuss the student/s application/s as per the Enrolment Form. The following is to be completed and/or discussed in the interview:

Student's academic, social, emotional, physical needs. The outworking of the School's Christian ethos through staffing, daily devotions, Biblical studies, Pastoral Care system, etc. Student Discipline Policy and Procedures. School's academic curriculum, cultural, sporting, competitions, missions, co-curriculum activities, etc. Explain the practical implications on the School-Parent partnership. Enrolment Offer

At the satisfactory conclusion of the assessment/interview process, the School may make an offer to the parents to enrol the student. The Principal authorises enrolment of all students into the School after considering recommendations by the Head of School and consideration of available resources.

Notes regarding Offers of Enrolment

Where information obtained by the School suggests a profile of wilful misconduct, illegal activities or strong anti-social behaviours that indicate that the student's enrolment at the School is likely to be detrimental to other students, the

staff, or the School, notwithstanding that the student be the sibling of a current student, the Principal may decline to proceed any further with the enrolment process. Where information obtained by the School indicates that the student has a disability, the Principal will ensure that the School complies with the requirements of the Disability Standards in Education 2005

The Principal will seek to identify the exact nature of the student's needs and the strategies required to address them. Having obtained this information, the Principal will determine whether the student, if enrolled, would require services or facilities that are not required by students who do not have the student's disability. Where the Principal determines that the student would require such services or facilities, the Principal will determine whether enrolling the student would impose unjustifiable hardship on the School. In making this assessment, the Principal will consider all relevant circumstances of the case, including:

- the nature of the benefit or detriment likely to accrue or be suffered by any persons concerned (including other students, staff, the School, the student, the family of the student, and the School community); and the effect of the disability of the student; and
- the School's financial circumstances and the estimated amount of expenditure required to be made by the School.

Where the Principal determines that the enrolment of the student would cause unjustifiable hardship, the Principal may decline the offer of a position or defer the offer as per Disability Standards for Education 2005.

The School reserves the right not to offer any student a place at the School or to defer the offer of a place to any student in its discretion but particularly when the parents, having been aware of their student's specific educational needs, decline to declare those needs or to withhold relevant information pertaining to their student.

Where the parents have not declared or have withheld known information pertaining to their student's needs, the School reserves the right to terminate an enrolment where there are not sufficient resources to deal with a student's needs.

Acceptance of Enrolment

To accept the offer, the parents must within fourteen days of receiving it, deliver to the School the:

- Acceptance of Offer of Enrolment Form, signed by both parents/guardian;
- Organise and meet with the Bursar to discuss finances and method of payment

Failure to reply within the required time may result in the position being re-offered where other students are waiting for entry to the School.

The School may grant a deferment for compassionate and compelling circumstances following receipt of a written request by the parent or guardian.

Conditions of Ongoing Enrolment

Removal from class

The School may remove a student from class studies on the grounds of misbehaviour by the student. Removal will occur as the result of any behaviour identified in the [Student Discipline Policy](#) and the [Student Code of Conduct](#) including but not limited to repeated or aggressive defiance of teacher's instructions; behaviour that puts the safety of other students at risk; ongoing disruption of learning.

Destination Unknown Notification to notify the Department of Education. The Department will act on behalf of the minister through a Home School Liaison Officer (HSLO) who will attempt to locate the student and take appropriate action to ensure School attendance.

The following procedures will be followed in relation to following up of students where the destination School is unknown:

The Registrar on being informed of a student leaving will ring the parent and request information in relation to the new School into which the student is being enrolled. A follow up email will be sent if contact is not initially made. The principal will be notified by email from the Registrar of the student/s who are leaving the School and into which School they are to be enrolled. Where the student destination is unknown and there are concerns for their safety, welfare, or wellbeing the Principal or delegate will notify the HSLO and other government departments e.g. FACS or Police within 24 hours. Where there is no indication of immediate risk identified, the Registrar will make two further attempts by phone and email to ascertain the destination School for the student. After 3 weeks if the Destination of the student remains unknown the Registrar will contact the principal, and the Principal or delegate will make a notification to the HSLO and complete the Student Enrolment Destination Unknown Notification. The Enrolment Register can be listed as Destination Unknown once the notification has been made.

Summary of Key Policies

Student Welfare and Pastoral Care is infused in all teacher-student interactions and informs development of all policies and procedures. It continues to be a strength of Pacific Valley and is a feature of the community.

While full text versions of our policies can be obtained from the School and through the website this extract conveys the essence of our commitment to caring for, and the discipline of, students of Pacific Valley.

Safe Schools Policy Statement:

Rationale

Pacific Valley Christian School believe that all persons are made in the image of God and thus worthy of respect at all times. We are committed to the education of the whole person in a Christian context and seek to nurture our students in the spiritual, intellectual, social/emotional, and physical dimensions (refer Luke 2:52). Furthermore, we believe that each person is commanded to love each other as we love ourselves. Fundamental to an education of this nature will be high expectations, strong instruction, and direct meaningful consequences for non-compliance across a range of issues that demonstrate or impact on care for oneself and for others.

The Australian Government has also mandated that all Australian Educational Institutions are to take measures to ensure that Schools are safe and supportive environments (National Safe Schools Framework 2003). This policy supports that mandate for Schools to develop and implement policies and procedures to particularly address the issues of harassment and discrimination, violence and aggression, bullying, and child protection.

Policy

Pacific Valley Christian School seeks to be a community that protects and promotes the safety and wellbeing of all of its members.

Component Policies:

- a) Safe Schools: Anti- Harassment and Discrimination
- b) Safe Schools: Anti-Violence and Aggression
- c) Safe Schools: Anti- Bullying
- d) Safe Schools: Anti-Drugs

Related Policies

This policy should be interpreted in relation to the full complement of Pacific Valley Christian School policies. Particular attention should be given to the following:

- Child Protection
- Behaviour and Discipline
- Duty of Care
- Work Health and Safety

Safe Schools: Anti Bullying Policy Statement:

Rationale

We recognise that there will be incidences of bullying in our School community at various times and in varying degrees. The depravity of the human condition resulting from the Fall means that all individuals are capable of sinful actions that harm or exclude others or that manipulate relationships for selfish ends.

The Pacific Valley community of students, parents and staff should work together to both prevent bullying and deal effectively with those incidents of bullying that may occur.

Policy

Pacific Valley will implement intervention strategies and programs of instruction to minimise bullying at all levels of our community, with the aim of having no bullying behaviour.

Behaviour and Discipline Policy Statement:

Rationale

All communities require standards of personal and interpersonal behaviour to be clearly stated, understood, and adhered to to preserve relationships and allow effective growth and development of the individuals. Personal decisions about behaviour necessarily bring consequences. Good decisions should lead to positive consequences while poor decisions should bring negative consequences.

With the purpose of strengthening the community, the Behaviour and Discipline Policy will clarify our common vision in Christ, will strengthen and test the givens (ground rules, or policies) for how we should live together, will consider the needs of everyone in our community, and will build or restore relationships to bring new levels of commitment. The result of implementing this policy should be the discipling of young people to behave in ways that are Christ-like to others and themselves, that show maturity in their response to authority and in their respect within relationships, and that show commitment to the welfare of the community

Policy

At Pacific Valley Christian School, discipline is an integral part of pastoral care used to disciple students in Christian beliefs, values, and behaviour.

Related Policies

This policy should be interpreted in relation to the full complement of Pacific Valley Christian Education policies. Particular attention should be given to the following:

- Safe Schools (Anti-Harassment & Discrimination; Anti-Violence; Anti-drugs; Anti-Bullying)
- Child Protection
- Duty of Care
- Student Code of Conduct

Grievance (Parents and Students) Policy Statement:

Rationale

The purpose of Pacific Valley Christian School's Grievance (Students and Parents) Policy is to provide a student or parent(s)/legal guardian with the opportunity to access procedures to facilitate the resolution of a complaint or grievance. These internal procedures are a conciliatory and non-legal process. The policy is intended to reflect the desire of the School to function as a Christian community.

Policy

Pacific Valley Christian School recognises that it is good and fitting that member of communities have opportunity to express disappointment or disapproval and seeks to engage with such situations with the intent of clearly reaching mutual understanding amongst the parties involved.

Student Code of Conduct

The purpose of Pacific Valley Christian School is to provide a Christian educational community as a centre of teaching, learning and serving excellence, founded on Biblically-based beliefs, values and behaviour.

All communities require standards of personal and interpersonal behaviour to be clearly stated, understood, and adhered to in order to preserve relationships and allow effective growth and development of the individuals. Personal decisions about behaviour necessarily bring consequences. Good decisions should lead to positive consequences while poor decisions should bring negative consequences.

The purpose of strengthening the community, the Student Code of Conduct policy will clarify our common vision in Christ for how we should live together. It will consider the needs of each individual in our community. The result of implementing this policy

should be the disciplining of young people to behave in ways that are Christ-like to others and themselves, that show maturity in their response to authority and in their respect within relationships, and that show commitment to the welfare of the community.

Pacific Valley Christian School recognises that effective learning can only occur in a secure environment where the rights and responsibilities of others are known and respected and where standards and rules are fairly and consistently applied. This Student Code of Conduct has been developed to clearly set out standards of behaviour that students are expected to meet. Managing the Code of Conduct is a shared responsibility between the student, parents/guardians and the School. All students and families have ready access to support offered by School teachers and staff.

Self-monitoring of behaviour is an integral part of a safe learning community. It is therefore essential that students are clearly informed about the behavioural expectations of the School community. The basic code of conduct at the School for all members of the community is that each will respect the other; that each will act kindly and courteously towards others; that each will not force themselves or anything that they own physically, verbally, or emotionally on others. Students are expected to do as they are asked; and that each has the privilege, if done respectfully, to ask questions of another.

At Pacific Valley Christian School, expected student code of conduct is summarised in the student handbooks. The code of conduct will include:

- Respectful language
- Respectful body language
- Respectful facial expressions
- Respectful written language, including drawings
- Respectful behaviour in the playground with teacher and other students

- Respecting people's bodies and feelings
- Respecting personal space
- Respectful, harassment free environment
- Respecting the safety of self and others
- Respecting self, others, community, and individual property

The code of conduct will include:

- Respectful behaviour in the classroom towards the teacher and other students
- Reporting all breaches of the conduct code honestly
- Integrity and honest and care for each other
- Punctual attendance for all activities, School, and lessons
- Respectful use of all social media.

Students are expected to abide by the directions of teachers and School rules and policies. These rules and policies include:

- Bullying Prevention and Intervention
- Alcohol (student use of)
- Cyber Safety

- Truancy
- Student Leadership.

A breach of this code of conduct will be dealt with according to our Student Discipline Policy.

PROGRAMS PROMOTING RESPECT AND RESPONSIBILITY

As a Christian community we strive to demonstrate practical care and compassion to others, both those who form part of the community and those beyond. This care extends to students, parents, staff, the local community and to other communities. As with all fundraising, service, and mission events the students learn about and practise serving others as a means of promoting growth in their character development in relation to respect and responsibility, perseverance, and connection.
